Rolling Deadline

Project Support Small Grants (\$10,000 or less) and Matching Grants will have no set deadline.

Applications will be accepted on an ongoing basis and held for consideration at a scheduled quarterly Grants Committee meeting. Grant requests in these categories received in the same month of the trustee meeting may not be considered until the subsequent quarterly meeting, however, every effort will be made to process grant applications that are received after the cut-off date in a timely fashion. This will be based on the staff's ability to process the application within the timeframe of the various meeting schedules.
