

Donna Nigh

For nearly 40 years, former Oklahoma first lady Donna Nigh has dedicated her public and private life to improving the quality of life for the state's developmentally disabled citizens. Her efforts over the years have helped thousands of Oklahomans and their families such as those involved with the Miracle League of Edmond.

In 1985, Donna's close friends established the Donna Nigh Foundation in celebration of her commitment. Since its inception, the foundation has been instrumental in helping the state's developmentally disabled become as self-sufficient as possible.

In 1997, George and Donna Nigh turned over the administration of this private foundation to the Oklahoma City Community Foundation. This has allowed the couple to focus their full attention on continuing their work on behalf of this special group of citizens with the reassurance their efforts will continue for generations to come.

The Miracle League of Edmond

Leveling the playing field

A Great Grant to the Miracle League of Edmond has helped to level the playing field for individuals with special needs who want to experience the simple joy of playing baseball.

The Miracle League of Edmond offers an organized baseball league with five teams for children and young adults ages three to 25 who are physically and or mentally challenged. These five teams play one another at Mitch Park in Edmond on a special field that features a completely flat and rubberized turf, painted to look like an actual baseball field. The surface eliminates any barriers to wheelchairs or walkers and makes it easier for the visually impaired players so everyone can safely catch, run and hit without fear of injury.

The Great Grant through the Fund for Oklahoma City helped the league purchase specialized equipment

for players including uniforms, bats, balls, helmets, gloves, sound equipment and pitching machines.

The Miracle League of Edmond is the first of its kind in the area. Currently, more than 180 Miracle League fields exist across the country.

Great Grants through the Fund for Oklahoma City allows us to help organizations such as the Miracle League meet their objective. The Fund for Oklahoma City exists because of donors who recognized the need for resources that are flexible and can be used to respond to the community's changing needs and opportunities.

Great Grants

Helping Our Community

Through a Great Grant.

Great Grants awarded through the Fund for Oklahoma City allow us to support worthy organizations like the Miracle League of Edmond who are making a difference in the lives of the developmentally disabled.

Great Grants are possible because thousands of generous donors have made gifts to the Fund for Oklahoma City with one simple goal in mind: *helping their community*. And because the Oklahoma City Community Foundation make charitable giving simple, flexible and forever, donors know their gifts will continue to support the community for years to come.
