

# Planning for the future

*Both the Ninety-Nines and the Museum of Women Pilots have established endowments with the Oklahoma City Community Foundation. Through these endowment funds, both organizations are receiving an annual stream of income that helps to support their day-to-day missions. And, because the endowments are perpetual, they will serve as a consistent source of support for the continuing success of the Ninety-Nines and the Museum of Women Pilots.*

*For more information on how you can support these endowments, please contact the Oklahoma City Community Foundation at 405/235-5603 or visit [www.occf.org](http://www.occf.org).*
