How to link to your Central Oklahoma Charities page

1. You will need to add and modify this HTML code to the appropriate page on your website:
   
   ```html
   <a href="http://www.occf.org/centralok/YourAddress.html"> <img src="http://www.occf.org/coe/endowmentbutton.gif"> </a>
   ```

2. Replace “http://www.occf.org/centralok/YourAddress.html” with your Central Oklahoma Charities page. Copy the address to your page from the address bar of your browser and then paste it into the HTML code.

   For example, here is the page for the 45th Infantry Division Museum:

   ![45th Infantry Division Museum](image)

   The modified HTML code for the 45th Infantry Division Museum is:
   ```html
   ```

3. Once the HTML code is modified, paste it into your site.
